

**Peter  
Marinelli**  
*Director of  
Sober Residences*

Peter has been sober over 21 years and has dedicated his life to helping others recover from alcoholism and drug addiction. As an international circuit speaker, Peter has given hundreds of talks across the US and Europe on subjects related to recovery. He has spoken at numerous treatment centers, universities and before medical organizations to both suffers and clinicians alike. Peter has also been invited to speak for the National Council on Alcoholism and been a guest on talk radio and done workshops on Spiritual Transformation for various religious organizations. Peter has spent the majority of his sobriety in the Treatment Industry and his mission is to help addicts and alcoholics recover from their fatal illness.

“With years of therapy, outpatient treatment and trying to quit on my own, I believed I had hit bottom and would never get clean. Because of the Florida House and Peter Marinelli today my life is filled with joy, opportunity and a bright future.”

Bruce S.

“Before coming into the sober living program I was a chronic relapser for the past 15 years. Today I get to show up and be a father to my boys for the first time in their lives.”

Jeff G.
